EARL P. WADSWORTH,

Cemetery Report 1923 1924

During the past summer an effort has been made to improve the appearance of the Colebrook Cemetery. Over fourty grave stones have been reset, a number of lots re-surfaced, the iron fence set in cement and painted, the main entrance made more attractive and the main drive-way graveled. The co-operation of individuals and the town officials has helped in making this small improvement It is hoped that the town will vote to raise money to finish the work that has just begun
